Honorable Jennings Randolph  
United States Senate

18 JUN 1963

Dear Senator Randolph:

Thank you for your letter of 6 June regarding an inquiry which you received from [Redacted] on behalf of Mr. [Redacted]

STAT

We have reviewed Mr. [Redacted] file and find that he was not offered employment because his qualifications, in the broadest sense of this term, did not meet our overall standards of employment. In advising Mr. [Redacted] of this decision, we explained that this conclusion was based on an evaluation of his entire record and that no single factor was determining.

STAT

[Redacted] was not among the references checked in this case and we are glad to have endorsement of Mr. [Redacted] for consideration in the event that future recruitment needs should make re-evaluation of his application appropriate. The opening for which he was initially considered has been filled through the employment of an applicant who more nearly met the full standards for that position. Vacancies in this field do not occur frequently, but we would be glad to consider Mr. [Redacted] file again if a suitable position should become available.

STAT

Thank you again for bringing this inquiry to our attention. We hope the information supplied above will be useful to you in responding to [Redacted]

STAT

Sincerely,

[Redacted]
